i. to create, develop, operate, deliver, maintain, and improve our Website, including to enhance content and improve visitor experiences;

j. for legal compliance;

k. to respond to your requests and comply with your stated communication preferences;

l. to provide you with a safe, efficient, and customized experience; and

m. to provide other services you request.

## 6. Who we disclose Personal Information to

We may disclose Personal Information with the following categories of third parties for the business purposes we described above in Section 5.

a. our Network Financial Institutions (e.g., if you report a fraud/ scam to us through our Website, we will disclose that information to the recipient's bank or credit union);

b. our service providers/ third parties (e.g., companies that help us operate our Website, assist with cross-context behavioral advertising, provide website analytics, provide customer service);

c. law enforcement, government agencies, and other authorized third parties (to whom we may be required by law to disclose information); and

d. other entities with your consent.

In the past 12 months, we have not sold Personal Information from the Website. For purposes of this Privacy Notice, "sale" means the disclosure of Personal Information to a third party for monetary or other valuable consideration.

## 7. How we use cookies and similar tracking technologies

Like most websites, we and our service providers/ third parties (e.g., advertising networks, website analytics providers) use "cookies" and similar tracking technologies (e.g., pixels, web beacons) to gather information when you use our Website to improve the visitor experience. Some of these tracking technologies provide basic functions of the Website, assess the Website's performance, provide site functionality, and help us maintain the security of our Website.

We and some of our service providers/ third parties may also use online tracking technologies for cross-context behavioral advertising, including to help manage and display advertisements to you and to tailor advertisements to your interests. Our service providers/ third parties may use their technology to advertise products and services tailored to your

interests which may appear either on our Website and/or on other websites/digital properties.

To the extent these online tracking technologies are deemed to be "sharing" (for cross-context behavioral advertising, as defined by applicable U.S. state law), you can opt-out of these online tracking technologies by using our Cookie Preferences. Our Website also accepts Global Privacy Control (GPC) opt out preference signals.

We use the following types of cookies on our Website:

| Cookie Type | Description | If disabled |
|---|---|---|
| Strictly Necessary Cookies | These cookies are needed to provide basic functions on the Website. We may use cookies and tracking technologies required to prevent fraudulent activity, improve security, and/or for system administration. | N/A – These cookies are required to operate our Website. Without them, the Website could not operate so they cannot be disabled. |
| Analytics and Performance-Related Cookies | We may use these cookies to assess the performance of our Website, including as part of our analytic practices to improve the services offered through the Website. These cookies may be used to prevent fraudulent activity and improve security.<br><br>You may disable these cookies if you'd like. | Without these cookies, we can't tell what content is most valued by our Website visitors and we can't tell how often unique visitors return to our Website, making it hard for us to know where we need to improve our content for visitors like you. |
| Functionality-Related Cookies | We may use these cookies to tell us, for example, whether you have visited the Website before or if | Without these cookies, we won't be able to remember you from session to session and some of |

| Cookie Type | Description | If disabled |

| | you are a new visitor and to help us identify the features in which you may have the greatest interest.<br><br>You may disable these cookies if you'd like. | the Website's services may not function properly for you. |
| Cross-Context Behavioral Advertising Cookies/Tracking Technologies | We and our service providers/third parties may use these cookies/tracking technologies for cross-context behavioral advertising to you on and off our Website and to measure the performance of such ads.<br><br>You may disable these cookies if you'd like. | Without these cookies, you won't receive tailored content about our Company, products, and services. |

During some visits we may use software tools to measure and collect session information, including page response times, download errors, time spent on certain pages and page interaction information.

A few additional important things you should know about our use of tracking technologies (e.g., cookies, HTML stored technologies):

- We may offer certain features that are available only through the use of tracking technologies.
- We use both persistent and temporary tracking technologies. Tracking technologies (e.g., cookies) can either be persistent (i.e., they remain on your computer until you delete them) or temporary (i.e., they last only until you close your browser). You are always free to decline tracking technologies if your browser permits, although doing so may interfere with your use of the

Website. Refer to the help section of your browser, browser extensions, or installed applications for instructions on blocking, deleting, or disabling tracking technologies such as cookies.
- We use cookies and tracking technologies with your prior consent as obtained through your use of this Website.
- You may encounter tracking technologies/cookies from our third-party service providers that we have allowed on our Website and affiliated properties that assist us with various aspects of our Website operations and services, such as Google Analytics. For more information about the use of information collected by cookies and similar technology on our Website, please review Sections 3, 4, 5 and 6 of this Privacy Notice.

**How We Respond to Do Not Track Signals for California Residents:** California Business & Professions Code Section 22575(b) (as amended effective January 1, 2014) provides that California residents are entitled to know how we respond to "Do Not Track" browser settings. Our Website accepts Global Privacy Control (GPC) opt out preference signals.

To learn more about our use of cookies and similar technologies, click here to read our full Cookies and Tracking Policy.

## 8. Minors' privacy

Our Website is not intended for children under the age of 13. We do not knowingly solicit or collect information from individuals under the age of 13. Therefore, we have no actual knowledge that we've shared (for cross-context behavioral advertising) information about minors and we do not sell information that is collected from our Website so therefore we have not sold information about minors. **For information about the Children's Online Privacy Protection Act (COPPA), visit the FTC website:** www.ftc.gov.

## 9. Your choices

*Website Cookies*

To change your cookie preferences/disable/opt-out of certain cookies (including cross-context behavioral advertising), visit our Cookie Preferences. Please note, you may need to reset your preferences if you later visit our Website from a different device or browser or if you clear your cookies.

*Network Participants/Business Partners (B2B)*

If you've previously expressed interest in our products and services for your financial institution and you no longer wish to receive marketing communications from us, you can indicate your communication preference within the direct communication from us (e.g., using the unsubscribe link in the email you receive from us) or by emailing marketing@earlywarning.com. Please allow us a reasonable period of time in order to satisfy your request, as some communications may already be in process.

## 10. California Network Participants/ Business partner (B2B) residents' privacy rights

If you are a California resident and you've interacted with us on behalf of your Network Participant/company/business (e.g., in a B2B commercial transaction, you've expressed interest in our products/services for your financial institution, you've expressed interest in becoming a service provider of EWS), the following data privacy rights are available to you:

| **Free from discrimination** | Be free from discrimination for exercising your privacy rights | We will not discriminate against you for exercising your choices and rights. |

Please note the above-listed rights are subject to certain exceptions. For instance, we cannot disclose or permit access to specific pieces of Personal Information if the disclosure or access would present a certain level of risk to the security of the Personal Information, your account with us or the security of our systems or networks. We may decline your request if we cannot verify your identity or confirm the Personal Information that we maintain belongs to you. If we cannot honor your request, we will let you know.

Upon receipt of your "California Network Participants/ Business Partner (B2B) Data Privacy Rights Request" email, we will acknowledge receipt of your request and let you know how long we expect it will take us to complete your request (typically 45 days or less for most requests).

When you make a request, we will attempt to verify that you are who you say you are. For example, we will attempt to match information that you provide in making your request with information that we have on file. We may need to request additional information from you to verify your identity or to understand the scope of your request, although you will not be required to create an account with us to submit a request or have it fulfilled.

You may designate an authorized agent to make a request on your behalf. Your authorized agent will be required to produce a signed authorization from you and additional identity verification may be required. Authorized

agent requests may be made by sending an email to zelleprivacy@earlywarning.com.

## 11. Our data retention practices

We generally retain information collected on our Website for as long as it is necessary and relevant for our business operations and to comply with applicable law. See Section 3 for more information.

## 12. Links to third party websites

Our Website may contain links to other third-party websites, such as our Network Financial Institutions and regulatory bodies such as the Federal Trade Commission (FTC) and the Consumer Financial Protection Bureau (CFPB).
