10. CHILDREN'S PROTECTION

We are designing our services to be welcoming to users of all ages around the world. This means that we collect age information from users, services will provide a different experience based on what we know about the age of a user and where they live. The information below guardians to understand our privacy practices with respect to children (under 13 or the age of consent under local laws, whichever is higher).

(1) Countries where we operate an Age-Gate

In certain countries, such as the United States, we may be required by law to operate an age-gate, where, when a user indicates that they are collect or process their personal data until they are no longer a child as defined above or until their parent or guardian provides consent and/or particular features. In these circumstances, the personal data we collect may include:

· Date of birth and country to determine age and apply appropriate settings

· Parent or guardian email address to provide notice and seek consent (which is deleted if the parent does not respond within 14 days)

· Persistent identifiers like IP address, UIDs, necessary website tracking technologies, and device identifiers in order to provide and mai (including analytics to improve them), protect the security and integrity of users and ensure legal and regulatory compliance.

For clarity, the data indicated above (including persistent identifiers) will be collected and processed prior to obtaining parent or guardiar purposes stated and to support internal operations, for example, to trigger the age-gate and other internal operational purposes.

Notice, Consent, and Parental Controls

We collect a parent or guardian email address from a child player to send the parent or guardian an email notice that the child has initiated acc informs them about how verifiable parental consent works. This notice also lets them review our privacy practices, provide consent for their account, and set up parental controls. Please note that parents/guardians must complete our parent verification process to provide consent fo an account.

We use Kids Web Services (KWS), for parent/guardian verification and user age verification purposes. KWS will remember that you have ver next time you use your email address to access other games/services powered by KWS technology, so you won't need to verify again. We and independent controllers for personal information sent to us. For example, we collect a parent or guardian's email address and transfer independent controller. However, once the parent or guardian is re-directed to the KWS environment, KWS is an independent controller f activities that follows. Such processing activities include checking the email against the KWS AgeGraph, collecting verification information fro guardians, hashing the email and adding it into the AgeGraph, sending the user the verification confirmation, and notifying the parent or guar verification. With regard to the data shared by KWS with us following a successful verification, such as the parent's email and their verified s independent controller. For more information, you can learn more about KWS in the KWS Privacy Policy https://www.kidswebservices.com/en

When a parent or guardian gives permission for a child to set up an account, parental controls are enabled automatically. Parental controls can using a PIN code, let you change choices about particular features made during the permission flow, and further customize your child's experie more about our parental controls here https://account.hoyoverse.com/passport/index.html#/parental-control/verify.

Once a parent has authorized an account for their child, the privacy practices described elsewhere in this Privacy Policy generally apply; howeve not have access to all content or features due to parental controls. Depending on the parental control settings, the child player may be rest payment access and community access, such as social features and content sharing, **and certain real-time communication features,**

based chat, may be unavailable to users in certain jurisdictions under the age of 13, among other features.

A parent may revoke consent to the collection of their child's data at any time by contacting us using the contact details under "Contact Us" does not consent or later revokes consent, we will delete the child's account and its associated information within 14 days of the respons consent. If a parent does not respond to this request for consent within the prescribed period, we will delete the parent and the child's da HoYoverse account), if they already have one, within 14 days of the initial request.

For the avoidance of doubt, in certain countries such as the United States, we are required to delete accounts of children under the age of 13 guardian provides verifiable consent, and any child's data or account that is deleted as a result of the foregoing is permanent, irrecoverab restored notwithstanding that the child subsequently reaches the age of 13. For other countries where the legally applicable age is higher, t apply.

Child and Parent Privacy Rights

Child users and their parents/guardians can exercise their individual privacy rights as described in Section 8 above and Section 13 below. Paren parents and guardians to change the choices made about their child's use of particular features like community access. Parents/Guardians ca child's personal information held by us and delete their child's account (which deletes the personal information and stops further collection). rights, please see the "Contact Us" section below

(2) Countries where we do not operate an Age-Gate

Your Rights and Choices

If you submit a request to us and you receive a response from us informing you that we have declined your request, in whole or in part, applicable law, you may appeal that decision by submitting your appeal using the contact method described in Section 12 of this Privacy Policy.

Right to Opt-out of Targeted Advertising and Data "Sales"

Some privacy laws define "sale" broadly to include some of the data disclosures described in Section 6 above – in particular certain sharin providers for targeted advertising purposes. To opt-out from targeted advertising and any related data "sales," you have several options.

You can use browser or device-level controls as follows:

· **Cookie controls**. Please see our Cookie Policy (https://www.hoyoverse.com/en-us/legal/cookies) for details on how you can control cookies choose to refuse or delete cookies, this could affect certain features, settings and preferences controlled by those cookies including advertising may be deleted and may need to be recreated.

· **Do Not Track**. Some browsers include a "Do Not Track" (DNT) setting that can send a signal to the websites you visit indicating you c tracked. O*ur websites do not respond to browser DNT signals*. Instead, you can use the range of other tools to control data collection and advertising controls described above.

· **Mobile advertising ID controls**. iOS and Android operating systems provide options to limit tracking and/or reset the advertising IDs.

· **Email web beacon controls**. Most email clients have settings that allow you to prevent the automatic downloading of images, including web

automatic connection to the web servers that host those images

These choices are specific to the device or browser you are using. If you access our services from other devices or browsers, take these a devices or browsers to ensure your choices apply to the data collected when you use them.

(b) Additional terms for California Residents

California Consumer Privacy Act. The CCPA requires us to provide our users who reside in California with the additional notice below. For th notice, Personal Information means information that identifies, relates to, describes, is reasonably capable of being associated with, or could rea directly or indirectly, with a particular consumer or household, or as otherwise defined by the California Consumer Privacy Act of 2018 (Califo 1798.100 to 1798.199) and its implementing regulations, as amended or superseded from time to time ("CCPA").

Personal Information does not include information that is:

· Lawfully made available from government records.

· Deidentified or aggregated.

· Otherwise excluded from the scope of the CCPA.

We collect and disclose the categories of personal information as set out in Section 13(1)(a) above, for the business purposes also set out in Se

If you are a California resident, and the processing of personal information about you is subject to the CCPA, you have certain rights wi information:

· Notice at Collection. At or before the time of collection, you have a right to receive notice of our practices, including the categories of person sensitive personal information to be collected [Section 1], the purposes for which such information is collected or used [Section 2], whether s sold or shared, and how long such information is retained [Section 7]. You can find those details in this Privacy Policy by referring to th referenced sections.

· Right to Know. The right to request a copy of the personal information that we have collected about you in the prior 12 months. You als request additional information about our collection, use, disclosure, or sale of such personal information. Note that we have provided much of this Privacy Policy. You may make such a "request to know" as described in Section 8(1) of this Privacy Policy.

· Rights to Request Correction or Deletion. You also have rights to request that we correct inaccurate personal information and that w information under certain circumstances, subject to a number of exceptions. To make a request to correct or delete, please do so using ou account information functionality or email us using the contact information in Section 12 of this Privacy Policy.

· Right to Opt-Out / "Do Not Sell or Share My Personal Information". You have a right to opt-out from future "sales" or "sharing" of personal in terms are defined by the CCPA.

Note that the CCPA defines "sell", "share", and "personal information" very broadly, and some of our data disclosures described in this Priv considered a "sale" or "sharing" under those definitions. In particular, we let advertising and analytics providers collect identifiers (IP addresse mobile IDs), activity data (browsing, clicks, app usage), and device data through our sites and apps when you use our online services, bu "share" any other types of personal information. If you do not wish for us or our partners to "sell" or "share" personal information relating to sites for advertising purposes, you can make your request by emailing us using the contact information in Section 12 of this Privacy Policy. If these choices, we will not disclose or make available such personal information in ways that are considered a "sale" or "sharing" under the C will continue to make available to our partners (acting as our service providers) some personal information to help us perform advertising Further, using these choices will not opt you out of the use of previously "sold" or "shared" personal information or stop all interest-based adver We do not knowingly sell the personal information of minors under 16 years of age.

· Right to Limit Use and Disclosure of Sensitive Personal Information. You have a right to limit our use of sensitive personal information for a than to provide the services or goods you request or as otherwise permitted by law. Note that we do not use sensitive personal informa additional purposes.

You may designate, in writing or through a power of attorney, an authorized agent to make requests on your behalf to exercise your rights Before accepting such a request from an agent, we will require the agent to provide proof you have authorized them to act on your behalf, you to verify your identity directly with us.

Further, to provide, correct, or delete specific pieces of personal information we will need to verify your identity to the degree of certainty re will verify your request through common market practices, including by asking you to send it from the email address associated with your ac

you to provide information necessary to verify your account.

You have the right not to receive discriminatory treatment for the exercise of your CCPA privacy rights, subject to certain limitations.

Additionally, under California Civil Code section 1798.83, also known as the "Shine the Light" law, California residents who have provided persc a business with which the individual has established a business relationship for personal, family, or household purposes ("California Custom information about whether the business has disclosed personal information to any third parties for the third parties' direct marketing purposes. Please be aware that we do not disclose personal information to any third parties for their direct marketing purposes as defined by this law.

California Customers may request further information about our compliance with this law by emailing the address provided in the "Contact U Please note that businesses are required to respond to one request per California Customer each year and may not be required to respond to means other than through the designated email address.

California residents under the age of 18 who are registered users of online sites, services, or applications have a right under California Busine Code section 22581 to remove, or request and obtain removal of, content or information they have publicly posted. To remove content or info publicly posted, or to request that we remove such content or information, please send us a detailed description of the specific content or inf to have removed using the details provided in the "Contact Us" section above. Please be aware that your request does not guarantee complete removal of content or information posted online and that the law may not permit or require removal in certain circumstances.

An authorized agent may submit an access or deletion request on your behalf by sending a written authorization signed by you using the con the "Contact Us" section. We may still require you to directly verify your identity and confirm that you provided the authorized agent permis request
